

Since 1989, bringing comfort & joy to Boston-area families in need.

December 27, 2021

LASA Foundation Board of Directors
The LASA Foundation
40 Old Ferry Road
Lowell, MA 01854

On behalf of Christmas in the City, I want to thank you and your colleagues at the LASA Foundation for your generous donation of toys in support of our annual holiday program for families in need in Greater Boston. We could not do all that we do without the generosity of organizations like yours.

The need for holiday assistance has never been greater, as covid has had an especially difficult impact on the families who look to us for help.

Through our Jake's Toy Mania program, the toys that were donated, including the ones provided by LASA, were distributed to more than six hundred families, and – while we don't have the final count yet – made the holidays happier for between 1,500 and 2,000 children. We always promise our donors that every toy donated will find a good home, and we can assure you that these did.

We are very grateful to have you as part of the Christmas in the City family.

Wishing you and all your members a happy and health new year.

With warm regards,

Sparky Kennedy
